Mre. R. A. Reid,	1911 Elmood, FE-1-6	6637	96 VO 46 Aug	wa === :-	
I have worked for Yesterday November I went out side our building, as the President parameters was about standing near by heard commone also back into our built ontered the effice out. I did not be way. I did not be way. I did not be walked on out of in his hand.	y sworn, on oath deposes and so them seven years, and a real watch the parade of the parade of the parade of the parade draw near the translation of the seven, I think it liding and up to the lider. This doer is I may this name to be Leadent, I hope they do the office. I did not I naw him he was done of the parade of the p	it hill kind rking, we have it was fart moond find the time of	took our lease standi- elease to The first erted to H eres from her down to ere to our work in the er the lun- me for he I said to him. Lease tand what	unch period ng on the fi the street. thing I the r. Cappbell our building he street. effice, ju e warehouse ch room and had not work lee, this wumbled so he said, he water and	from 12 to lpm rant steps of Just after aght of was who was p. But I I want I want ot after come through the reer stair— ked there long, pmoone has mething and had a coke i don't
